from  
RECORDS DISPOSITION BRANCH

1. Contributions

a. File Systems - ORR [ ]

25X1A9

A

Completed installation of a uniform subject-numeric file system throughout ORR which consisted of 63 separate file series. More than 75 secretaries and clerical personnel within the Office were trained under a training program geared toward maintaining these files under the system. As a by-product of the installation, over 100 cu. ft. of records were destroyed within the Office and 60 cu. ft. transferred to the Records Center. Prepared draft of order to be issued as an ORR Notice that would establish a subject-numeric file system as the only file system authorized in ORR for administrative files.
